[www.christiewalsh.com](http://www.christiewalsh.com)

I am a UX designer with a passion for solving problems while adding touches of joy and playfulness. I'm driven by empathy and compassion for others, both in my design philosophy and in my personal life. I'm eager to find a team of creative, curious peers where I can continue to grow in the UX field.

## EXPERIENCE

---

### GENERAL ASSEMBLY

#### UX Design Fellow

April 2020 - July 2020

Participated in a 12-week, over 500-hour immersive program

Completed both group and individual UX projects

Working on a team of four, researched, designed, and presented improvements to the app for our client Recipe Revolution

### PEAPOD

#### Graphic Design Specialist 2

January 2019 - March 2020

#### Graphic Design Coordinator 1

January 2015 - January 2019

Collaborated with brand manager and outside agency Edelman to launch a new set of brand guidelines

Redesigned marketing e-mail templates and welcome e-mail series

Designed homepage takeover assets and in-stadium digital advertising as part of our partnership with the New York Yankees

Collaborated with brands such as Goose Island and This Little Goat by Stephanie Izard to create unique branded experiences on our site and print materials for co-branded events

### FIRST DIVISION MUSEUM AT CANTIGNY PARK

#### Media Design/Digitization Specialist

February 2010 - January 2015

Redesigned museum website, coming in under budget by handling all of the front-end development myself

Designed and built microsites for special events and exhibits

Managed e-mail marketing and designed responsive e-mail templates

Created digital interactive experiences to tie in with special exhibits
